

Alberta's cancer-free movement

January 29, 2013

Trixtan Entertainment:

Dear Trixtan:

We are pleased that you want to raise funds benefitting the **Alberta Cancer Foundation**, to be designated to the area of greatest need at the Tom Baker Cancer Centre. Please accept this letter as proof of our full support and awareness that you are organizing this fundraiser on our behalf to take place in February of 2013.

We also have an online fundraising tool-NetCommunity, where you can create your own personal page, complete with photos, message board, and a thermometer to track your personal goals. It is very simple to set up and you can check out some of our online events at: <http://albertacancer.ca> and follow the links.

Events like these are so important to our Foundation. Proceeds from this event will help the Alberta Cancer Foundation to ensure that southern Albertans have access to the best cancer research, prevention, and treatment and care. This would not be possible without the help of generous individuals and corporate donors who share our vision of conquering cancer.

Should you have any future questions please contact me at 403-521-3433. Have fun with your fundraiser.

Sincerely,

Violet Galloway
Development Assistant
